## Summary

I am seeking opportunities where my skills can be used to solve real-world problems and work on projects which would bring the organization to Greater Heights. My personal interests lie in learning new languages, frameworks, and technologies. Proficient in Data Structure and Algorithms, C/C++, and OOPS concepts. I love to enhance my coding skills on platforms like CodeChef, Codeforces, Leetcode, etc.

## Work Experience

### The Sparks Foundation - Web Developer And Designing Intern

Indore, IN

03/2021 - 04/2021

- Develop the NGO website where payment gateway is integrated.
- Payment Gateway is integrated with a simple donate button on homepage, on clicking the donate button the user will land on the payment page where user can select the amount to be paid and the payment type e.g, credit card , paypal etc.
